Dear Samantha,

On behalf of the residents of **Westbrook Retirement Village**, we wish to extend our heartfelt gratitude to you and the team at **Boilercraft Africa** for your generous donation of non-perishable items for our Mandela Day hampers.

On behalf of the residents of Westbrook Retirement Village, we wish to extend our heartfelt gratitude to you and the team at Boilercraft Africa for your generous donation of non-perishable items for our Mandela Day hampers.

Your kindness and willingness to give back to the community embody the true spirit of Mandela Day. Through your support, we were able to prepare and share hampers that brought comfort and joy to our senior residents, many of whom deeply appreciate the care shown to them.

Your contribution not only filled cupboards but also uplifted hearts, reminding our community that they are valued and remembered. These items will help residents enjoy nutritious, balanced meals and relieve some of the stress of managing a monthly food budget. As many of our residents are on fixed incomes, your gift not only nourishes their bodies but also lifts their spirits. They have asked me to pass along their personal gratitude and to let you know how much your thoughtfulness means to them.

Thank you once again for your generosity and for choosing to partner with us in caring for our seniors and making a meaningful difference. Please accept this letter as a small token of our appreciation. If there is any way we can involve you in future events, we would be delighted to do so. We look forward to continuing this relationship in future initiatives.

With sincere appreciation,

Warm regards,

Christa Manias
